Why Gold IRAs?

Stability

Unlike the US dollar, which has lost 98% of its purchasing power since 1971, gold's purchasing power remains stable over time.

Outperformance

Your IRA could outperform both the Dow Jones and S&P 500 based on recent trends.

3 Steps To A Gold IRA

At Goldco, our goal is to make it easy for you to get the benefit of owning physical gold or silver. We believe precious metals ownership is an important part of your overall retirement savings strategy.

1. Open Your IRA

You can open a Precious Metals IRA by signing an agreement to secure your purchase and understand Goldco's terms of doing business. A company representative will walk you through every step of the process.

2. Fund Your Self-Directed IRA

3. Purchase Your Precious Metals

★★★★★

100% Satisfied

I researched several precious metals brokers and chose Goldco. I called, had my questions answered, and made a purchase. All of the steps have been handled in a professional manner and I am 100% satisfied with my decisions and the people at Goldco that provided the service.

Gold IRA-Approved Coins

Not all gold coins are eligible for investment through a Gold IRA, as coins must meet a minimum fineness requirement of .995. Goldco works with mints around the world to source high-quality coins that are eligible for investment through a Gold IRA. You can also place other qualified precious metals in your Gold IRA.

Below are some of the numerous coins we offer our customers that are eligible for a Gold IRA. Call our Specialists at 855-481-3209 to learn more about IRA-eligible gold coins or to get more information about rollovers, transfers, and other Gold IRA details.
