3 BENEFITS OF HOLISTIC CLEANING

Improves your physical, emotional, mental, and spiritual health.

Free from dangerous chemicals and toxins.

Loving for our planet.

WHAT SETS US APART?

Our 5 Elements Cleansing Process

Unique to Your Conscious Cleaners, included in your cleaning you receive your own 5 Element Cleansing Process Kit that helps uplift the energy in your home using air, fire, earth, sound, and water. This cleansing process is done at the end of every cleaning service by your cleansing specialist.

Our Very Own Eco-friendly Products & Equipment

We have crafted our very own line of eco-friendly cleaning products made in-house from natural ingredients. All of the equipment used while cleaning is made of recycled and sustainable resources.

Our Highly Trained Holistic Cleaning Specialists

Detail oriented, our cleaning specialists always go above and beyond to provide you with the best house cleaning service possible, every time.

WHAT OUR CLIENTS SAY

"I have used cleaning services in the past, but Your Conscious Cleaners are by far the most thorough. There is just something that puts you at ease when you walk into your home and you know that it has been wonderfully cared for. I highly recommend making use of the services Your Conscious Cleaners offers."

— James R. - San Diego
